

TUFTS SCHOLARS AT RISK NOMINATION/APPLICATION FORM

This application form is to be used for nominations by Tufts faculty, staff, or students or for self-nominations by scholars who fit the eligibility criteria. Selections are made by the Provost, in consultation with school deans and on the recommendation of a Scholars at Risk committee comprised of Tufts faculty and staff. Applications are confidential; information is viewed only by the Office of the Provost, the Scholars at Risk Committee, and the department or faculty member with whom the scholar may be placed.

I: GENERAL INFORMATION ABOUT SCHOLAR

Candidate/Applicant's Name		Is the application for a residential or non-residential fellowship?
Gender	Date of birth (day/month/year)	Current/last employer
Candidate/Applicant's Nationality	Current location or country of residence (if different)	Additional countries/territories where candidate/applicant may have citizenship or other legal status
Email	Phone	Skype ID
Passport country and number	Is the candidate/applicant currently facing any travel restrictions?	How soon is candidate/applicant seeking to begin a position, and for how long?
Dependents: Please specify number, and which, if any, would accompany the candidate/applicant	Safety: Is it safe to contact the candidate/applicant directly? If so, what is the best means of communication?	Language proficiency: Please indicate languages and level of proficiency (basic, intermediate, advanced) in speaking and in reading/writing for each language.

II. INFORMATION ABOUT NOMINATOR (IF APPLICABLE)

Nominator's name	Title	School/Department
Address	Phone	Email
Do you know the candidate? If so, how?	Would your department be able/interested in hosting the scholar? If not, what department/school would be the best host for the scholar?	
Please describe your reason for nominating the scholar, the candidate's background (including recent scholarly and work), the threats the candidate is experiencing, the prospective benefits of a position at Tufts for the candidate and for Tufts and what work the scholar candidate would/could do at Tufts. Please also indicate what role you could play (if any) in welcoming and supporting the scholar or enabling them to adjust and integrate to the community.		

III. ADDITIONAL MATERIALS REQUIRED FROM ALL CANDIDATES/APPLICANTS In addition to this nomination form, please submit the following items to the attention of the Scholars at Risk committee at scholarsatrisk@tufts.edu.

1. CV. If the CV includes references, please note that the references may be contacted.
2. Statement of Purpose (no more than 1000 words). The Statement of Purpose should describe the scholars' reasons or motivations for pursuing a scholar at risk position at Tufts. How does the scholar propose to spend their time at Tufts, if selected? The statement should also describe past work, including research/teaching/artistic/policy or practice accomplishments, current projects and professional objectives and list publications and affiliations with scholarly institutions (if not in CV) as well as any other significant work Tufts should be aware of.
3. Statement of Risk (no more than 1000 words). This statement should describe the risk that the candidate/applicant is experiencing, with particular attention to any interference with or threats because of their work or views, and/or because of their current professional and/or personal situation.
4. Letters of support: Any letters or statements of support that might contribute to the application are encouraged. Letters can focus on risk and/or scholarship or work. Recommenders should be prepared to be contacted (if feasible) and should provide preferred contact information.
