

English Language Proficiency Verification Form

US Department of State regulations require that J-1 program sponsors verify, by an objective measurement, the English language proficiency of J-1 exchange visitors when screening for program eligibility (22 CFR §62.10(a)(2)).

Re: Name of J-1 exchange visitor: _____

Last
First

As required by the J-1 visa regulations, I confirm that the above-named international scholar has sufficient English language ability to engage in his/her program at Tufts and/or its affiliated hospitals and function in daily life. In order to verify his/her English proficiency, the following objective measurement has been used (please check one or more and fill in the requested details):

☐ In-person interview. Date of interview (month/year): _____

☐ Videoconference interview. Date of interview (month/year): _____

☐ Telephone interview* Date of interview (month/year): _____
 (*only if videoconferencing was not available)

☐ The scholar's first/native language is English.

☐ English Language Proficiency Test: _____
 (test name, score, date)
